MISSION STATEMENT FOR THE MiMo BISCAYNE ASSOCIATION

We are a diverse group of citizens who care about the future of the historic Biscayne Boulevard MiMo district. We meet for breakfast or dinner on a regular basis to explore the challenge of revitalizing the historic area as a future destination. The tools we have established to meet our goals include creating a place-making streetscape, providing local/state and national incentives, marketing the area with a MiMo theme and empowering a leadership group of residents, business people and property owners who will nurture the neighborhood.
